

TCC Christian Preschool Exclusion Policy

Policy Statement

TCC Pre School would not look to exclude a child until all avenues to help and solve any problems have been exhausted. No child will be excluded on ethnic, social or economic background, gender ability or disability grounds. All children and their families will be treated equally and fairly.

- A child will be excluded from the setting if they consistently continue with inappropriate behaviour or language
- We will work with parents/carers and outside agencies to try to solve any problems but if the behaviour/ language can not be changed to be appropriate for the setting we will not be able to accommodate the child and we reserve the right to implement our exclusion clause issued below.

Procedure

- If a child persistently behaves unacceptably the pre-school will issue a verbal notification to the child's parents.
- If the behaviour continues a written warning will be given.
- If the behaviour carries on the child will be excluded from preschool for a period of time.
- If the behaviour is consistent and no improvement is made the child will be excluded permanently
